

LEGO CONTEST

The Tri-County Family Care Center and the LEGO Company will co-sponsor a LEGO contest with LEGO kits during the Arkansas Valley Fair. This year's activities will be held on Sunday, August 18, 2024, beginning at 12:30 PM and ending at 2:30 PM. In the BINGO BUILDING.

Kits are provided free of charge for the participants to keep by the LEGO Company. The activity is arranged by our Rocky Ford Youth & Family Support Program, which is a program that encourages parents and adult sponsors to interact and be involved with youth.

Each team includes one child and one parent or adult sponsor. The concept of the activity is to illustrate good communication skills and to build trust between the team members. There will be a Junior Division (ages 5 to 8); an Intermediate Division (ages 9 to 12); and a Senior Division (ages 13 to 17). Each age category will be given a certain amount of time to build the kit. The adult will instruct the child on how to build that particular kit, without the child seeing the picture or reading the instructions. Each team is judged according to how well they communicate and how much of the kit is completed during the time allowed.

Trophies for first, second, and third places are given for each category.
