Mission Statement for Arkansas Valley Fair

The Arkansas Valley Exposition & Fair Association is the oldest continuous fair in the State of Colorado, celebrating the first watermelon day in 1878. The AVF is a non-profit organization that relies on generous sponsorship and many dedicated volunteers from our surrounding communities. Our mission is to continue with the traditional values that have been set forth in this community through the many years of offering Eastern Colorado a fun and safe place to bring their families, at affordable costs with free gate admission.

ARKANSAS VALLEY FAIR

Dedicated volunteers are the ones who make the Arkansas Valley Fair and Exposition Association such a success. Each of our Event Directors is a volunteer and has a passion for their event, recruiting friends and family to help put it on. This year, we are celebrating the 149th annual Fair and would like to take a moment to recognize our volunteers and their dedication. Along with volunteers, the Fair is supported by generous sponsorships from the area communities. Not all of our dedicated volunteers are captured in these photos. We apologize for missing some of our members.

If you would like to volunteer your time or sponsor an event, please get in touch with our Fair office at 719-254-7723 or email avf@arkvalleyfair.com.
